

TELETHON & AUCTION

SATURDAY, NOVEMBER 6, 2010

PERFORM LIVE ON STAGE...

Show off your talent. We need musicians, magicians, actors, dancers, singers, comedians and more. Or promote your hobby with a quilting, cooking or gardening demonstration.

Call Carole-Ann Baer 978-443-6684

VOLUNTEER BEFORE, DURING, AFTER. . .

We need lots of people to help that day (and before): cameramen and women, phone bank operators, behind-the-scenes organizers, set designers, heavy lifters, food and beverage servers, gophers, etc.

MAKE A CONTRIBUTION...

Tax-deductible contributions should be made payable to HOPEsudbury and mailed to HOPEsudbury, P.O. Box 802, Sudbury, MA 01776. Or phone in your contribution during the Telethon. Mastercard & VISA accepted at that time.

DONATE AUCTION ITEMS...

You know the drill. Anything that people want and think they can get for a bargain makes a good auction item.

People are also looking for something special. Can you donate a pair of season tickets? Would you host a dinner for eight? Do you have an antique to pass along for a wonderful cause? Be creative. Be generous.

RUN YOUR OWN FUNDRAISER...

Proceeds from your organization's fundraiser can be contributed to HOPEsudbury. Neighborhoods can get together and contribute. Children can donate the profits from their lemonade stand, etc. Some donors may present their check live on TV during the Telethon.

Call Marilyn Martino, 978-443-0849

HOPEsudbury (Humanitarian Outreach Project) was founded after the tragic events of September 11, 2001 to bring the Sudbury community together to support others in need. The bulk of funds raised at the 2009 Telethon will help support HOPEsudbury's signature program, the HOPEsudbury Community Assistance Fund, which provides a valuable source of short-term financial support for Sudbury residents with emergency financial need.

P.S. And don't forget to watch the HOPEsudbury Telethon, Saturday, November 6 on sudburytv.org (Comcast Channels 8 & 9 or Verizon Channels 31 & 32). Call in your pledge. Bid on auction items. See your friends and neighbors on TV!
